

Weifang Zhang

Department of Logistics and Maritime Studies, Faculty of Business, The Hong Kong Polytechnic University
weifang231.github.io | wei-fang.zhang@connect.polyu.hk | (+852)51742901 | weifang231

Education

The Hong Kong Polytechnic University (PolyU), Hong Kong <i>Ph.D. in Operations Management, advised by Shining Wu</i>	Sep.2024–Jun.2028 (Expected)
Renmin University of China (RUC), Beijing, China <i>Master of Science, School of Statistics, Major in Applied Statistics</i> – GPA: 3.84/4.00	Sep.2022–Jun.2024
Southwestern University of Finance and Economics (SWUFE), Chengdu, China <i>Bachelor of Science, School of Statistics, Major in Economic Statistics</i> – GPA: 3.87/5.00 (Rank: 2/122)	Sep.2018–Jun.2022

Research Interests

Operations Research, Stochastic Optimization, LLM Inference Systems, Online Decision-Making

Publications

* indicates equal contribution; † indicates corresponding author

- **Weifang Zhang***, Yuzhou Nie*, Bowen Pang, Guangrui Ma, Shining Wu†, Threshold-Based Exclusive Batching for LLM Inference, **ICML 2026**.
- Liang Wu and **Weifang Zhang**†, Co-movement between RMB and Bitcoin with effects of DCEP using wavelet coherence analysis, *Fluctuation and Noise Letters (FNL)* 2023.

Working Papers

- **Weifang Zhang**, Manlu Chen, Xichen Sun, Xingzhi Jia, An Empirical Examination of Surgery Reallocation Decisions' Impact on Operating Room Efficiency. (working paper)
- **Weifang Zhang**, Shining Wu, Optimization of Queueing Networks in Shared Mobility Systems. (working paper)

Presentations

<i>An Empirical Examination of Surgery Reallocation Decisions' Impact on Operating Room Efficiency</i>	
EurOMA, Barcelona, Spain	Jun.2024
POMS-HK, Hong Kong	Jan.2025

Awards

Outstanding Graduate of Beijing	2024
National Scholarship	2020
Gratitude to Chinese Modern Scientists Scholarship, SWUFE (Top 1%)	2020
First Prize Scholarship, SWUFE	2019, 2020, 2021

Skills

Proficient: Python (PyTorch, Scikit-learn, etc.), SQL, Git/Terminal, $\LaTeX$, R
Familiar: MATLAB, Linux/Unix
